## FROM THE PODIUM

Today's concert is one of collaboration. We are working together to join genres, ages, musical styles, and artistic displays to bring you a wonderful afternoon of music. Welcome to "Voices of Generations". Our youngest musicians are 7 to 8, our oldest, over 80. What a great opportunity and thrill for old and young alike to share a stage and make music together! We will move through a musical journey of a Sousa marches, Gershwin Jazz, steel drum sounds, angelic voices and unbridled dances. I am hoping we will present something for everyone. We will perform this concert without intermission. There will be a couple of set changes so I beg your patience as we work to bring you our performers in their best staging. We sincerely hope you enjoy this concert, "Voices of Generations".

*Joe Frank, Jr.*
